# LET'S GO ANAL

Are you ready to unleash the playful passion within? This Let's Go Anal Pleasure Box invites you on a fantastic journey of sensual discovery, bringing your naughty fantasies to life.

Within this Pleasure Box for Anal Lovers, you'll find a thoughtful selection of beginner-friendly toys and accessories for anal play. Whether you want to gradually build up the back-door stimulation, want to enjoy intense vibrations or just want to make sure it's all fresh and clean, this box contains everything you want and need.

This little catalogue will guide you through every step, providing you information about the items, an extensive manual, and – of course – tips and tricks.

As much as we loved making it, we hope you'll love it even more.

# ANAL SHOWER

An anal douche is a useful method to prepare for anal sex by cleansing the rectum of feces. By filling the bulb with lukewarm water and attaching the spray nozzle, you can gently introduce the water and squeeze it repeatedly until the outgoing water is clear. This procedure not only promotes hygiene, but can also increase feelings of comfort and self-confidence during sexual activity.

Communication with your partner about your intentions and comfort levels is essential when using an anal douche. Discussing preferences and any concerns helps to ensure a safe and enjoyable experience. Although using an anal douche is optional and may not be necessary for everyone, it can contribute to a relaxing and satisfying anal sexual experience for both you and your partner.

# VELVET BAG

It's best to keep your toys in a bag. Store each toy separately to prevent damage. While materials like jelly, rubber, and latex are safe for use on and in your body, they can react with each other. This may result in melting or deformation.

It's also important to never store your toys in a warm place, for example under a device that may emit heat. Bacteria become very enthusiastic about this.

# LUBRICANT PREMIUM FORMULA

Using lubricant during anal sex is essential for comfort and pleasure. Anal penetration can cause friction, which can cause discomfort. This lubricant is specifically designed for anal sex for an optimal experience.

Apply lube liberally to both the body and the object that goes in. Take it slow so you can create an enjoyable and satisfying experience.

# LUBRICANT INJECTOR

A lubricant injector is useful for applying lubricant. This ensures precise and even application of lube, which can make the experience smoother and more enjoyable.

Simply fill the injector with suitable lubricant, insert it gently and squeeze slowly to apply. With care and communication, using a lubricant injector can contribute to a more comfortable and satisfying anal experience.

# ANAL BEAD

Anal beads are a popular sex toy that can be used solo or with a partner to increase pleasure during anal stimulation. These beads gradually increase in size and are connected. When using anal beads, it is important to use enough lubricant for comfortable insertion and removal. Start by slowly and gently inserting one bead at a time, listening carefully to the body to determine what feels comfortable.

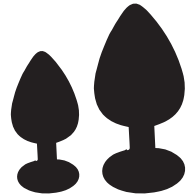

During sexual activity, anal beads can add an extra dimension of stimulation when you remove the beads during the orgasm.

# GEM STONE BUTT PLUG

The small size butt plug can serve as an ideal introduction to anal stimulation as it is easier to insert and can be less overwhelming for beginners.

As comfort and experience increase, using a larger size butt plug can provide more intense sensations and satisfaction. The larger plug can provide a fuller feeling and challenge to explore your limits. With careful communication and plenty of lubricant, both small and large butt plugs can provide an exciting and satisfying experience for everyone involved.

# VIBRATING ANAL PLUG

Using the vibrating butt plug can be an exciting addition to sexual play, both for individuals and couples looking for new sensations. The vibrations can create an exciting tingling sensation and take the pleasure of anal stimulation to new heights.

Using a vibrating butt plug can be versatile, ranging from solo adventures to enriching partner sex. It can be used during both foreplay and intercourse to increase arousal and intensify orgasms. With different vibration levels and patterns, you can explore which you like best.

# ALL PLEASURE BOXES

After experiencing the excitement and satisfaction of this pleasure box, it's a tempting idea to explore what other boxes have to offer. Each pleasure box can contain a unique composition of sex toys and accessories, aimed at different aspects of pleasure.

By trying out different boxes, you can discover new experiences that may enrich your sexual life. Whether it's a box focused on her, him, kinky play or going anal, each box offers a unique journey. Switching and mixing the different boxes add pleasure to your sex life, keeping it fresh and exciting.
