ZERO TOLERANCE

Product Specifications:

Material: ABS + TPE
Battery: Lithium polymer battery, 7.4V, 1200mAh
Voltage: Less or equal 8.4V
Number of Functions: 5 functions + 5 intensities each
User time: 55 mins
Sound Level: 85db

CHARGING INSTRUCTIONS

This thrusting stroker arrives partially charged, so it is recommended to fully charge before use. Connect the USB plug into the USB port of your computer or other output and the other end of the DC charger into toy's input which can be found at the base of the toy. Initial charge will take about 2 hours to complete, and subsequent charges will take about 4 hours to complete.

The Red LED light will illuminate while device is charging, and turn off when toy is fully charged. There is no danger of battery damage by overcharging, but it's recommended not to overcharge for long periods of time.

Charge lasts for about 45 minutes of play time on the lowest vibration level, and about 55 minutes of play time on the highest level.

The red light indicator begins to flicker when charge begins to deplete.

This toy operates at a sound level of 85db and uses a Lithium polymer battery, 7.4V, 1200mA

INSTRUCTIONS FOR USE

This stroker has an easy-to-use 3-button control panel at the base of the toy.

Turn the toy on by pressing the bottom Power Button for at least 3 seconds. The light will illuminate and the toy will be in standby mode.

Use the top wave symbol button to cycle through 5 speeds of thrusting.

Use the middle triangle symbol button to cycle through 5 intensities for each thrusting function you choose with the wave symbol button.

Turn the toy off by pressing the Power Button for at least 3 seconds.

Twist off the top of the canister to reveal the stroker entry and begin use.

Use plenty of lubricant inside the sleeve for more comfortable thrusting.

For cleaning, this toy dismantles into 5 pieces:

- 1) Main canister
- 2) Twist-off canister cap
- 3) Vaginal lips entry disc
- 4) Metal ring that sits between the lips and the cap; lifts off for cleaning

USB RECHARGEABLE

- 5) Inner chamber with ABS plastic case and TPE rubber sleeve inside

Zero Tolerance recommends cleaning this stroker before and after use with Zero Tolerance Masturbator Cleaner and a warm water rinse.

WARNING:

CONTAINS STRONG MAGNETS

STRONG MAGNETS AND MAGNETIC FIELDS CAN CAUSE SERIOUS INJURY OR DEATH BY INTERFERING WITH MEDICAL DEVICES LIKE PACEMAKERS, OR CAN DAMAGE ELECTRONIC DEVICES AND MAGNETIC MEDIA.
