**CHARGING INSTRUCTIONS**

This toy arrives with a partial charge of about 30%. It is recommended to use up this energy first before charging for the first time. Repeat this pattern for 3 full charges to extend battery life significantly.

To charge, connect the USB plug into the USB port of your computer or other output and the DC charger into the port at the base of the toy.

Initial and subsequent charges will each take about an hour to complete.

The indicator light will flash while device is charging and stay constant when toy is fully charged. There is no danger of battery damage by overcharging but it's recommended not to overcharge for long periods of time.

Charge lasts for about 70 minutes of play time at the highest level of vibration.

This toy operates at a sound level of less than 60db with a 220mAh rechargeable lithium battery at 3.7V.

**INSTRUCTIONS FOR USE**
