

## GP WET LOOK A-SYMMETRIC MINI DRESS BLACK

This wetlook mini dress has an asymmetrical design. The right shoulder is strapless. The 3 spaghetti straps attached to the elastic rim at the back go over the left shoulder and are attached to the front panel with a metal ring. The left side of the dress has 4 big round cut-outs that allow to show lots of skin. The fabric in between is attached with metal O-rings. The stunning a-symmetric dress is made by Guilty Pleasure.

The material of this range of products is made of elastic knitwear that is laminated with polyurethane, which gives it the typical sexy wetlook appearance. The shiny fabric is very elastic and fits smoothly around the body, for a comfortable and sensual feeling and a sassy look. Feeling bold, confident, kinky or feisty? The Guilty Pleasure Wet Look collection might be your perfect choice!

For wetlook products we suggest not to expose the material to heat or sun and not to soak the material.
